## **Newport Aesthetics - Tinted Sunscreen (1.6 fl. oz.)**

Tinted physical protection against UVA/UVB. SPF 50. Matte finish. BB cream.

**MSRP: \$45.00**

## How to Use

Apply product over the desired area at least 30 minutes before sun exposure. Reapply every 2 hours or after water immersion / exposure for optimal performance of the product. Sunscreen can be applied under makeup, over serums and moisturizer. More guidance can be obtained from our medical professionals at Newport Aesthetics.

Since this product is also a BB (blemish balm) cream - it can be worn on its own since it is so luxurious and hydrating. Try it - go naked!

## Product Details

Newport Aesthetics has created this tinted luxurious all day, oil-control, gentle hydration and age-defying sunscreen that provides pure, physical protection against UVA/UVB rays.

The matte finish on this BB (blemish balm) cream evens out skin tone while providing sun protection. It can be worn on its own and is perfect post-procedure or after a workout!

Universal Pigment Technology provides a sheer, healthy touch of color for all skin tones, concealing imperfections and minimizing the appearance of fine lines, wrinkles and pore size.

Antioxidant-enriched to provide exceptional broad spectrum UVA/UVB protection and quench free radicals.

Use as directed by our medical professionals at Newport Aesthetics.

For all skin types, especially sensitive skin, post-procedure and acne patients.

Non-comedogenic. Paraben-free. Gluten-free. Oil-free. Fragrance-free. Alcohol-free.
